

ICT European Online Job Day

**Make IT Ireland
Make IT Online**

***ICT talent from Europe meeting
Irish Employers.***

Ireland is the second largest exporter of computer and IT services in the world and home to many leading international ICT companies.

ICT European Online Job Day is an ideal opportunity for jobseekers to meet with Irish-based companies eager to recruit talented professionals.

Register now at www.europeanjobdays.eu/en/dublin and join us online on May 9th for interesting presentations and interactive sessions on ICT career opportunities in Ireland.
