## Your tasks as a logistics operator in the warehouse:

- Picking goods and preparing orders for shipment.
- Working with a handheld scanner.
- Performing data entry on the computer and updating warehouse management systems.
- Ensuring compliance with safety and quality standards.
- Collaborating with team members to maintain an efficient workflow.

## Your Benefits:

- **Collective Agreement:** The employment contract is based on the BAP/DGB collective agreement.
- **Working Hours:** The employment contract specifies a standard workweek of 35 hours.
- **Salary:** The gross hourly wage for this position is 14,83€ gross. Your monthly salary is 2249€ gross. Please note that deductions for social security contributions and taxes, in accordance with German regulations, will be applied to the gross salary.
- **Contract Duration:** We offer an indefinite employment contract.
- **Holiday Entitlement:** Employees are entitled to 25 days of paid holiday during the first year of employment, ensuring time for rest and well-being.
- **Additional Benefits:** Holiday and Christmas bonuses are granted after completing at least 6 months of employment with the company.
- **Accommodation and Transportation:** We provide accommodation in a double room for the first 6 months, with a contribution of just 350€ per month, deducted directly from your salary. You can buy the "Deutschlandticket", offering unlimited travel across Germany for only 58€ per month. On your first day, we will assist you in obtaining the ticket. The accommodation is conveniently located with a direct bus connection to the workplace, taking under 30 minutes.
- **Work Environment:** You will enjoy an international work environment, offering a dynamic and diverse atmosphere where you can collaborate with colleagues from various backgrounds.
- **Personal Support:** You will receive support from the Randstad team, ensuring you have assistance every step of the way during your transition and throughout your employment.
  - **Training:** Free German language courses are provided to support your integration in Germany.

## Job Requirements:

- **Shift Availability:** The position requires willingness to work in shifts, typically morning and afternoon. Each shift consists of 7 to 8 net working hours. You will generally work 5 to 6 days a week (Monday to Saturday), with 1 to 2 days off. Flexibility in working hours is essential to ensure smooth operations in the warehouse.
- **Language Skills:** A minimum of A2-B1 level in English is essential for effective communication. Upon arrival, we will provide access to online German language courses to support your integration and help you adapt to the work environment more quickly.
- **Physical Condition:** A good physical condition is required, as the role involves standing for long periods and sometimes lifting heavy items. As this is a warehouse-based position, physical stamina and strength are key to performing the tasks efficiently and safely.
- **First Professional Experience & Interpersonal Skills:** Previous warehouse experience is beneficial for understanding logistics and safety processes. We also value teamwork, punctuality, and motivation to ensure smooth collaboration and achieve team goals.
- **Practical Skills, Attention to Detail & Teamwork:** Accuracy in tasks like picking, packing, and labeling ensures smooth operations. Reliability, flexibility, and teamwork are essential to meet deadlines and adapt to a dynamic environment.
- **PC Skills:** Good computer skills are necessary for performing data entry, managing inventory, and using software systems to track and organize warehouse operations effectively.
- **Nationality:** Applicants must be nationals of a European Union member state. This is a requirement for compliance with local employment regulations.
