

Veterinarians to Sweden

Veterinarian in Europe? Dreaming of a career in Sweden?

Join one of Europe's leading veterinary healthcare providers. We welcome newly graduated veterinarians, experienced clinicians, orthopaedic surgeons, specialists and residents to explore career opportunities across Sweden. Your next adventure starts here.

Why Sweden?

At **AniCura Sweden**, we are continuously looking for talented veterinarians from across Europe who want to develop their careers in one of the world's most advanced veterinary healthcare systems.

Sweden offers a unique combination of:

- Excellent work-life balance.
- Modern, well-equipped hospitals and clinics.
- High medical standards and advanced veterinary care.
- Strong focus on professional development and continuing education.
- A safe, family-friendly society with stunning nature and vibrant cities.
- Competitive compensation and attractive employment conditions.
- Opportunities for every stage of your career

At **AniCura Sweden**, we believe that exceptional veterinary care is built by professionals with diverse backgrounds, experiences, and ambitions. Whether you are just starting your journey or already an established specialist, we offer opportunities to develop, grow, and make a real impact.

Early-career veterinarians

Beginning your veterinary career is an exciting step, and we are committed to helping you succeed. As a newly graduated veterinarian, you'll benefit from structured onboarding programs, mentorship from experienced colleagues, and a collaborative environment designed to support your professional and personal development.

Experienced small animal veterinarians

If you already have clinical experience, you'll have the opportunity to further develop your expertise while working alongside highly skilled teams in modern hospitals and clinics. We offer a wide range of caseloads, strong professional networks, and excellent opportunities for continuing education and career progression.

Specialists, residents, and advanced practitioners

We are continuously looking for board-certified specialists, residents, and veterinarians with advanced competencies who want to contribute to and shape the future of veterinary medicine in Sweden.

We welcome expertise in areas including, but not limited to:

• Orthopaedic Surgery • Soft Tissue Surgery • Internal Medicine • Emergency and Critical Care • Diagnostic Imaging • Neurology • Anaesthesia and Analgesia • Oncology	• Cardiology • Ophthalmology • Dermatology • Dentistry • Exotic Animal Medicine • Rehabilitation and Sports Medicine • Clinical Pathology
--	---

And many other veterinary disciplines.

Where in Sweden?

With **AniCura**, your career opportunities extend across all Sweden - from vibrant metropolitan areas and university cities to beautiful coastal regions and scenic countryside communities.

Whether you are looking for the pace and opportunities of a major referral hospital or the close-knit atmosphere of a regional clinic, we can help you find the right professional and personal fit.

No matter where you choose to live, you'll find a strong professional community, modern facilities, excellent opportunities for development, and the chance to enjoy the unique Swedish lifestyle - whether that means city life, archipelagos, forests, mountains, or the coast.

Salary and benefits

We offer competitive compensation packages based on your experience, competencies, and role. Salary ranges are discussed individually and transparently during the recruitment process.

Interested?

Even if you don't see the perfect position advertised today, we encourage you to submit an open application.

Tell us about:

- Your background and experience
- Areas of interest and specialization
- Preferred location in Sweden

Our recruitment team will review your profile and contact you if we identify a suitable opportunity.
