

Plumber / Plumbing Installer - Plumbing & Heating Lolland, Denmark Bangs VVS ApS

Bang's VVS is looking for one qualified and experienced plumber / plumbing installer to join our team on Lolland, Denmark.

You'll need to already have the legal right to work in Denmark, for example EU/EEA or Swiss citizenship, or a valid Danish work and residence permit. Unfortunately, we're not able to offer visa or work permit sponsorship for this role.

Your role

You will carry out varied plumbing work for private customers, businesses, industry and construction projects on Lolland.

We are looking for someone who:

- Is a **qualified plumber with relevant vocational training**
- Has practical **experience** as a plumber
- Can work independently and deliver **high-quality** work
- Is service-minded and comfortable working with customers
- Can communicate in **English**
- Has a **category B driving licence**
- Is willing to **relocate to Lolland** and make the area your place of residence

What we offer

- **Gross hourly wage: DKK 180-220**, depending on **qualifications** and **experience**
- Candidates with several years of relevant experience can expect a salary at the higher end of the range
- **Permanent employment**, 37 hours per week, Monday to Friday
- Pension scheme
- 5 weeks of vacation
- Flexible benefits account for extra vacation, salary or pension
- Company vehicle
- Assistance with finding suitable accommodation

About Bang's VVS

Bang's VVS is an authorised Danish plumbing and sheet metal company established in 2016.

The company works with private customers, businesses, industry, agriculture and construction projects and handles both small and large projects. Bang's VVS places strong emphasis on quality workmanship, good customer service and energy-efficient solutions. You will join an informal workplace with good colleagues, a high degree of independence and a strong focus on quality workmanship.

Recruitment Process

The first interview can be conducted online if required. Selected candidates may be invited to visit the workplace before a final employment agreement is made.

We review applications on an **ongoing** basis and encourage candidates to apply as soon as possible.

We kindly ask recruitment agencies and intermediaries to **refrain from contacting us** regarding this position. Applications will only be considered if submitted **directly by candidates**.

About Lolland and Relocation Support

Lolland is located in the southern part of Denmark, offering a peaceful lifestyle with easy access to nature, beaches, and open countryside. The region combines affordable housing, short commuting distances, and a strong sense of community.

The region is currently experiencing significant development, partly due to the Femern Belt Fixed Link, one of Europe's largest infrastructure projects, which will create a direct road and rail connection between Denmark and Germany.

As an international employee, you will have access to Lolland Municipality's Newcomers Service, which offers free support with relocation, registration, housing guidance, partner job support, and settling into life in Denmark.
