

Microsoft Dynamics 365 Finance - Functional Solution Architect

Are you passionate about providing top-notch service to customers and ensuring they receive the best advice and solutions? Are you tired of prioritizing charging clients for every minute, rather than focusing on quality when implementing D365 solutions?

If so, we invite you to join our team at TravelOperations team!

Responsibilities

As a Functional Solution Architect at TravelOperations, you will play a key role in influencing and overseeing large-scale international implementation projects. You will collaborate with motivated colleagues to implement D365 for Finance and TravelOperations solutions, guiding projects from analysis to design and implementation. Your responsibilities will include:

- Crafting Functional Solution Designs
- Providing Best Practice Guidance
- Maintaining daily ownership of customer relationships
- Serving as an Implementation Expert
- Executing workshops, including analysis sessions, alongside a team of Business Consultants
- Collaborating with skilled Developers on design and testing
- Engaging in General Architect work, such as exploring new technologies, conducting Proof of Concepts, and participating in Product Advisory Board activities such as Microsoft or industry-specific partners as Amadeus/Sabre/Travelport
- Offering internal guidance and support to colleagues

Desired Skills & Requirements

Seeking a candidate with 5+ years of Dynamics 365 Finance experience with a strong finance background. While various profiles may apply, we highly value a strong person-organization fit. Our ideal candidate possesses the following attributes and qualifications:

- Extensive experience with Dynamics 365 Finance and proficiency in finance.
- MB-310 / MB-700 certification.
- Dynamic, proactive, and possesses a comprehensive solution overview.
- Structured approach with the capability to lead functional areas within projects.
- Exceptional consulting and communication skills in English, both written and verbal
- Demonstrated passion for driving positive change for customers and their businesses, coupled with a willingness to travel both professionally and personally.
