

CNC MACHINE OPERATOR

Number of Posts: 3

Contract Type: Indefinite contract

Job description:

Who are we?

Rabat Marbles is one of Malta's leading producers for marble, granite, quartzite and other natural and synthetic stone surfaces with over 30 years of experience. We specialize in the production of kitchen countertops but also produce other home finishing's such as stairs, sills, feature walls and fireplaces for both commercial and residential properties.

The Vacancy:

Working at our factory, we are looking for the ideal candidates to join our team in the production of marble and other stone-related projects. The ideal candidate will have the role to work with CNC machines mainly on 5 axis CNCs, 3 axis CNCs and Waterjet.

Core Responsibilities will include:

- Perform production and processing operations with CNC machines mainly on 5 axis CNCs, 3 axis CNCs and Waterjet.
- Adjust machine and tools according to the article to be produced.
- Prepare drawings and work layouts.
- Be flexible to work on projects according to production requirements.

Requirements:

- Have CAD/CAM knowledge to be able to prepare drawings for production.
- Demonstrate a positive can-do attitude with high attention to detail and problem- solving skills.
- Have good understanding of Mathematics and good communication skills.
- Be well-organised and a team player.
- Be able to communicate, read and write in English or Italian.
- Previous experience operating CNC's and or working in the marble / stone industry is preferred

Benefits:

- Rabat Marbles has two shut-down leave periods which are in August and in December. Dates are announced each year in January.
- Being a medium sized company, Rabat Marbles offers flexible working conditions. The management works on the shop floor and exercises an open-door policy always to improve the general working conditions of everyone.
- Uniform and safety requirements are provided to all employees.
- Due to the current work demand, there is possibility for working overtime.
- Rabat Marbles is in the village of Dingli with plenty of fresh air and a friendly environment.

Training provided: On the job, training will be provided to the right candidates.

Any assistance with accommodation/relocation

Rabat Marbles will be offering a Eur600 cash grant to the right candidate to help in the relocation costs. These will be provided as Eur200 for the first 3 months of relocating.

Salary: Eur1,200 – Eur2,000 per month depending on skills and experience

How will the interviews be held?

Interviews will be held via Video Call (WhatsApp, Skype or Messenger) or in-person.

Any other information

6 months' probation period applies for all new recruitments.

Due to the current work demand, there is possibility for working overtime.
