Descripción:

The main tasks you will perform as an intern are, among others:

- organising innovative and impactful communications campaigns for the general public, especially young people;
- liaising with a communications agency;
- implementing our civil society engagement strategy, including planning and organising dialogue sessions with representatives of European civil society organisations;
- researching possible multipliers and stakeholders and establishing relations with them;
- researching target audiences and topics for our initiatives;
- identifying and reporting on trends and developments in public debate on economic and monetary policy in the euro area.

DURATION

Up to 6 months.

LOCATION

Frankfurt am Main, Germany.

ALLOWANCE

The trainee grant is €1,070 per month plus an accommodation allowance.

ELIGIBILITY CRITERIA

- A bachelor's degree or higher in communications, economics, international relations, business administration, political science, marketing, public relations or a similar field;
- A strong interest in, and understanding of, the ECB's mission, combined with the ability to describe this mission in clear and simple terms;
- Experience of producing communication materials, both written and visual;
- A good knowledge of the MS Office package;
- For the position in the Visits, Enquiries and Protocol team, a proficient (C2) command of German.
- For the position in the Campaigns and Civil Society team, a proficient (C2) command of German and/or French.
