Descripción:

GENERAL INFORMATION

- European Economic and Social Committee traineeships' offer an opportunity to learn about the EESC's roles and activities and to acquire professional experience in a multicultural environment. They begin on 16 February and 16 September of each year and take place in the Committee's offices in Brussels.
- Long-term trainees are given a monthly grant in accordance with the provisions regarding traineeships at the EESC. For long-term traineeships taking place within the time period 16/02/2021 – 15/02/2022 the amount of the grant is a lump sum of 1.229,33 EUR per month.

ELIGIBILITY CRITERIA

- Trainees are selected from nationals of the Member States of the European Union. However, a limited number of nationals of non-Member States can also be accepted on condition that the applicant fulfils all legal requirements concerning work and/or residence permits in Belgium.
- Applicants must have a thorough command of one EU language and a satisfactory command of another EU language, one of which must be English or French.
- Applicants who have received a letter of offer confirming their traineeship must provide proof of their medical fitness for undertaking a traineeship and an extract from police records to provide proof they have the good character necessary to carry out the tasks assigned to them.
- Applications shall not be accepted from candidates who have already completed a paid traineeship of six weeks or longer with an EU institution, agency or representation office.
