

Chef / Cook – Esbern Snare Brasserie & Cocktail Bar, Kalundborg

Esbern Snare ApS

Esbern Snare Brasserie & Cocktail Bar is looking for skilled and motivated Chefs / Cooks to join our established restaurant in Kalundborg, Denmark.

Our restaurant in Kalundborg is a well-run, busy operation with a proven concept, experienced ownership and a clear direction. Located right in the middle of Kalundborg's main pedestrian street, we are a lively, pulsing part of the town and a gathering place for its residents. Our purpose is to create a vibrant place for the people of Kalundborg, built on quality ingredients and good food. We are now strengthening our kitchen team and are looking for chefs who want to become part of a structured, professional kitchen and contribute to consistent, high-quality service every day.

Our concept is based on modern Danish cuisine with a Nordic twist, combined with well executed brasserie classics and a varied à la carte menu. We focus on quality ingredients, solid craftsmanship and seasonal cooking, with dishes that combine flavour, comfort and consistency. Our menu includes both classic meat dishes, such as pepper steak, pasta dishes and other popular brasserie favourites.

Alongside our à la carte service, we have a private dining and events room, which you will also be part of. It brings welcome variety to the daily kitchen work, with menus that differ from the standard à la carte and the chance to cook for parties, celebrations and special occasions.

You will be joining a business with an already proven concept, an organised kitchen and a strong operational foundation. The setup is stable and well prepared, giving you a secure framework in which to do great work and develop your craft. Here you also get the freedom to bring your own ideas to life. We are not a place where everything is dictated from above — our chefs and kitchen staff are given the room to develop dishes, contribute to the menu and put their own mark on the food.
