

CNC milling cutter (m/f/d) for Heidenhain or Mazak control (CC-HWT_051)

The employer is looking for a CNC milling machine setter/operator (m/f/d) for CNC milling machines as an addition to the team.

The employer is a globally active, medium-sized mechanical engineering company.

Your tasks:

- Production of sophisticated individual parts according to drawings
- Measuring and checking the manufactured parts for dimensional accuracy
- Optimising processing in coordination with work preparation

Your profile:

- German language skills at least A2
- Completed training in the field of metal cutting (e.g. metal technology specialist - cutting technology, precision mechanic, cutting machine operator)
- Professional experience in operating and programming modern CNC machines
- Experience in the machining of complex milled parts
- Willingness to work shifts (early and late shift)
- Expected to be able to work independently in a quality and cost-conscious manner
- Knowledge in the operation of milling machines with Heidenhain 530 or Mazak controls is an advantage

We offer:

- Full-time (40 hours per week)
- Permanent employment contract
- Performance-related salary based on qualification and work experience.
- Support with apartment search

Place of practice: Gelnhausen, Hesse (approximately 45 km away from Frankfurt am Main).

Please send your application including CV (e.g. [Europass](#)) in **German** or **English** to:
ZAV.Customer-Center-114@arbeitsagentur.de by referring to **CC-HWT_051**.

For further assistance, please contact us. We'll be happy to provide further assistance.

The Central Foreign and Specialist Placement Office will help you find a job in Germany.

We are part of the state employment services.

Our service is free of charge.

EU citizens could have the possibility to get financial support.

(e.g. language course, travel expenses, relocation costs)
