

Dental Technicians Wanted for a Modern Orthodontic Laboratory

Roskilde, Denmark

ROSKILDE ORTO-TEKNIK ApS

Roskilde Orto-Teknik ApS is seeking **four dental technicians** for our technical department.

We are a well-established orthodontic laboratory, centrally located in Roskilde, just a 3-minute walk from Roskilde Station. Our laboratory is equipped with the latest technology, including milling machines, 3D printers, and scanners, and we continuously focus on developing our professional expertise and digital workflows. You will become part of a strong team consisting of 23 full-time dental technicians, with a good balance of age and gender, and an informal yet professional working environment.

The Position

- Full-time
- Part-time is also an option

Experience in orthodontics is not required but will be considered an advantage.

We Expect That You:

- Are motivated and show initiative
- Work in a structured manner and pay attention to detail
- Are eager to develop your professional skills
- Thrive in a team-oriented environment and contribute positively to the workplace culture
- Can handle multiple tasks simultaneously in a busy workday
- Take pride in craftsmanship and high-quality work

We Offer:

- A position in a dynamic and professional team
- Flexible working hours
- Experienced colleagues and strong opportunities for professional sparring
- Salary based on qualifications
- Health Insurance and pension scheme

If you thrive in a fast-paced environment with professional challenges and strong collegial collaboration, we look forward to hearing from you.

Please send your application and CV to: Fead Rama on e-mail: fr@rot.dk

There's 4 vacant positions

When sending the application please include eures.nordicos@sepe.es in copy.
