Terrassen Bar & Kök in Sweden is looking for chefs for the summer season 2023

About Terrassen Bar & Kök

Terrassen is located in the picturesque fishing community Grebbestad right by the sea on the west coast of Sweden. Grebbestad is a fantastic little coastal gem with an incredibly beautiful archipelago with many small islands to discover for you who love the sea. In addition to a restaurant with 80 seated guests, Terrassen also has a nightclub. We have been active for 20 years and are a stable and secure employer with many satisfied guests over the years. With unpretentious service and great flexibility, we create a total restaurant experience in a social environment for all types of guests. We serve a menu that consists of both lunch and à la carte.

Terrassen Bar & Kök is a family workplace where we help each other and have fun together.

If you have experience from à la carte and are passionate about your job, and that you, like us, are present, responsive and want to deliver food beyond what is expected to our guests, we would like you to apply for the job as a chef with us.
