### About Sörbyn Lodge

We strive to offer you a nice and welcoming environment. It's important that you feel at home with us, just as our locals from the village. Sörbyn Lodge is located in the middle of nature. The cities feel distant, as if you are in the middle of nowhere, but in fact Boden is only a 30-minute drive away, while Luleå Airport is only an hour's car ride. This means that there are plenty ways of getting here.

A trip to Sörbyn is perfect for the outdoors person who wants to find more entry ways into nature, either if it's hiking, fishing, or with hunting as an interest. During summer we also offer buffé dinners for our guests and locals from the village. You can choose to live in a hotel room or timbered huts. The main building holds Restaurant Kalkällan, a pub and reception. We also offer a rich variety of activities for both summer and winter season.
