Job title/ <b>Ocupación:</b> (Sin abreviaturas)	Game Presenter - Dutch Speaking
Number of posts/ <b>n° puestos</b>	100

## **Full job description/ Descripción completa del puesto:**

We look for Dutch and/or Flemish-speaking talent who want to join us as a Game Presenter. Being a Game Presenter means that you will host one of our casino games in front of the camera. It is kind of like a tv-presenter or a vlogger, except you don't need to come up with a script. Worried because you have never been in front of a camera or dealt a game of Blackjack? No problem - during your first two weeks with us, we will train you on all you need to know to be successful at work. This also includes teaching you public presentation techniques which is a skill that you can use also later in life.

We understand that moving to a new country might be challenging and therefore we help you with the move. We pay for your flight tickets and provide you with a place to stay for your first 20 days. You will stay in an apartment with some of your new colleagues to make it easier for you to meet new friends. During this time, we advise you on how to find an apartment and the things you need to do to live in Madrid.

### **Qualifications**

Being a Game Presenter is kind of like being a TV-presenter. You spend your workday in our studio at the table where you open and close the game and interact with players while they play. For our Dutch teams, the game is usually in Dutch. We broadcast 24/7 so you can work the morning, day, or night shift.

We offer you:

- Relocation package including flights & accommodation for the first 20 nights in Madrid (if you don't already live in Madrid)
- Competitive salary – which you can impact through your performance as part of it is a bonus based
- Free gym membership
- Drop-off for shift finishing between midnight and 06 AM.
- Paid training in our Evolution Academy
- A lifelong experience on the sunny side of Europe with the opportunity to meet new friends from all over the world.

We want you to be:

- Fluent in spoken Dutch
- Minimum at conversational level of English
- A service-minded personality who is open to learning new things
- A person with strong work ethic and a sense of responsibility towards work and your colleagues
- Holder of an EU passport
