

SWEDEN NEED CHEFS 2025

Chef for the season on the Island of Käringön. Swedish West Coast.

We are looking for someone who has a positive personality and a genuine interest in the art of cooking. You must be efficient and able to handle a fast pace. After a few weeks on the job, you will be almost self-sufficient and take responsibility for your tasks. You have worked in the sector and we would like you to have experience from all stations in the kitchen.

In our kitchen team, we are a group that helps each other. In our free time, there are opportunities for fun activities. A football field, tennis court, outdoor gym, mini golf and a number of nice shops are available on Käringön. The sea and the surrounding islands can be explored with SUP boards or sea kayaks. Sometimes we go out and catch some mackerel with the hotel's boat.

Hotell Käringön and Käringöns Brygga are located in a fantastic location on Skeppersholme with a view of the harbour and the sea. With us, guests should be able to relax and take the day as it comes.

We are looking for staff who can start working no later than mid-July. Meals and staff accommodation are offered at a discount. If you have any questions, please contact us - see contact details below.

The position may be filled before the application deadline. The earlier we receive your application, the greater the chance that we will call you for an interview. Interviews will take place at Käringön or at our office in Gothenburg. If necessary, interviews over the phone/Skype may also be possible.

The application should include a CV and a cover letter. We also appreciate a short presentation in the email itself. Applications that do not include the above documents will not be answered.
