

SOUS CHEF

GRÄNSÖ SLOTT is hiring A experienced Sous Chef

Welcome to Gränsö Slott

Gränsö Slott is investing further in our guests' dining experience, and we are therefor looking to hire an experienced sous chef.

Each year, we welcome more guests to our hotel and restaurant and this year we have expanded our manor with a brand new and larger kitchen. Because of our major investment and expansion, we are searching for a sous chef with experience from fine dining kitchen, who wants to be part of our journey forward.

As a sous chef you are the person responsible for the evening in the kitchen at Gränsö Slott's restaurant, where you deliver high quality food for our guests. You should have a natural leadership and ability to easily get the personnel on board.

We are looking for somebody with previous experience within hotels and restaurants, specifically in fine dining cooking, and somebody who has previously had leadership positions within the sector. You are a well-structured leader with a big interest in food and beverage. You are very service minded and a keen observer of people, their needs and preferences. You are solution-oriented and enjoy working at a fast pace. You should be a positive and enthusiastic person who ensures that colleagues are aligned and motivated in reaching shared goals.

At Gränsö Slott, we have both salons and dining rooms available to our guests. Our evenings are somewhat of a "three-dimensional theatre", where the manor is our stage and both guests and personnel create and share the experience. As sous chef you therefor have an exciting and leading roll at Gränsö Slott. You are primarily responsible over the kitchens à la carte dining and the personnel who work in the kitchen during the evening. You are a big part of creating a first class and memorable food experience for them.
