

Calling all changemakers: join our team!

At Stegra we are committed to cleaning up heavy industry for good and setting our sights on zero CO₂ emissions – starting with steel. We are saying goodbye to dirty industry and welcoming talented individuals from around the globe to be part of our growing team!

At Stegra, it all starts with our modern facility in Boden, northern Sweden. Are you interested in living close to nature and in a thriving community? Do you want to be part of building an impact company from scratch, together with a team that is passionate about making the world better every day? Then Boden is the perfect place to call home!

Our Boden plant will not only be the world's first large-scale green steel plant, it will also be our flagship – a shining example for a new era of green industry. By joining our team in Boden, you're not only contributing to cleaning up heavy industry, you're also integrating into a community with everything close at hand – schools, shopping, friends and almost limitless nature and outdoor activities.

We are looking different **ENGINEERING** (mechanical, IT, Electrical, maintenance, etc) **PROFILES & SPECIALISTS**. You can find all our vacancies at the Swedish Public Employment Service (and EURES member) platform:

[Sökning - Platsbanken - Arbetsförmedlingen](#)

[Sökning - Platsbanken - Arbetsförmedlingen](#)

and in our Career Site: [Career at Stegra - check our job openings and join our team! - Stegra](#)

and apply there uploading your CV

Are you interested in a new professional experience in the very North of Sweden, this is your choice.

Economical support: If you are new to Sweden, you can apply for economical support through the EURES Targeted Mobility Scheme. Read more about it here: [EURES Targeted Mobility Scheme \(TMS\) Sweden - Arbetsförmedlingen \(arbetsformedlingen.se\)](#)
