

SWEDEN NEED CHEFS 2026 WINTER SEASON

Chef / Cook – Seasonal Position at Romme Alpin

Join Our Kitchen Team This Winter!

Are you a passionate chef who enjoys working in a fast-paced environment, loves teamwork, and wants to spend the winter in a unique ski resort setting?

Romme Alpin is looking for chefs and prep cooks to join our kitchen teams for the upcoming winter season, from December to April. We offer both full-time and part-time positions.

With several restaurants, cafés, bars, and food outlets across the resort, no two days are quite the same. You will have the opportunity to work with different types of food service, from large-scale buffet operations and traditional Swedish cuisine to à la carte dining, cafés, and high-volume burger service.

About Romme Alpin

Romme Alpin is located just 13 km outside Borlänge in southern Dalarna and is Sweden's largest ski resort outside the traditional mountain region.

Our resort is open seven days a week throughout the winter season. Thanks to our location, we attract many guests from Stockholm and other cities in central Sweden.

Our Ski Lodge has approximately 700 beds, and several of our restaurants are located within the main resort area, with two additional restaurants situated at the top of our two mountains.

Our guests are passionate about skiing and expect high-quality food, service, and hospitality. Our goal is to give them an exceptional experience both on and off the slopes.

Most of our guests visit during weekends and holidays, which means that our busiest periods are often when others are enjoying their time off.

About Our Restaurants

The Lodge Restaurant: our largest restaurant features high ceilings and a large fireplace, creating a warm and welcoming atmosphere. We serve a popular buffet with a different theme each evening.

On busy days, we serve around 700 guests for breakfast and dinner, making this a dynamic environment for chefs who enjoy working as part of a larger kitchen team.

Wårdshuset: at Wårdshuset, we serve homemade and nutritious Swedish dishes, with a focus on ingredients sourced from local suppliers in Dalarna.

We also run a staff restaurant where our employees can choose from several hot dishes every day.

Toppstugan: located at the top of the mountain, Toppstugan offers spectacular panoramic views together with an à la carte restaurant and table service.

The restaurant also includes a café, two bars, and an outdoor grill on the terrace. Several evenings a week, we serve our popular fondue dinner.

Våffelstugan: at Våffelstugan, we serve large quantities of freshly made waffles using our own batter and homemade jams. We also offer a selection of simple dishes, together with a café, bar, and large outdoor terrace.

Burger Place: our burger restaurant is all about speed, teamwork, and volume. We serve a large number of burgers in a short period of time, keeping hungry skiers happy and ready to get back on the slopes.

About the Job

As a chef or prep cook at Romme Alpin, your main responsibilities will include:

- Preparing and cooking food according to our menus and routines,
- preparing your station for the day and keeping it clean and organized,
- planning and preparing for upcoming service, monitoring stock levels and assisting with ordering supplies, following food safety, hygiene, and HACCP procedures,
- preparing food according to allergy and special-diet requirements.
- You support other departments and kitchen stations when needed, delegate simpler tasks to kitchen assistants when appropriate, help the team maintain a high standard of quality and efficiency.

Working in our restaurants can be busy, particularly during weekends and school holidays. We therefore value people who stay calm under pressure, communicate well, and are willing to step in and help wherever needed.

Who Are We Looking For?

We are looking for chefs who are:

Passionate about cooking and interested in developing their skills, organized, responsible, and detail-oriented, reliable and comfortable working independently when needed, humble and willing to help wherever they are needed, flexible and efficient, positive team players who enjoy working with others, able to handle unexpected situations in a calm and professional manner

Experience & Qualifications

Previous professional experience in a commercial kitchen or restaurant is required. This can include relevant culinary education and/or professional kitchen experience.

You should have:

Experience working in a professional kitchen, a good understanding of food hygiene and HACCP, knowledge of food allergies and special diets, the ability to work efficiently during busy services, good teamwork and communication skills. Swedish is the main language in our kitchens, but English is also used and is a requirement for working in the kitchen at Romme Alpin.

What We Offer

Working at Romme Alpin means becoming part of a friendly and international workplace where teamwork and a positive atmosphere are important to us.

All employees receive training in service and hospitality. Our routines and ways of working, the food and drinks we serve, the systems and tools we use and of course, one of the great benefits of working at a ski resort is the opportunity to ski on all our slopes!
