

Orthodontics laboratory is looking for 4 dental technicians

ROSKILDE ORTO-TEKNIK APS

Orthodontic laboratory in the heart of Roskilde is looking for 4 dental technicians for our technology and digital departments.

The laboratory is centrally located in Roskilde, 3 minutes on foot from Roskilde station. [Roskilde Orto-Teknik](#) has the latest technology in milling machines, 3D printers and scanners.

We are a fantastic team of 23 full-time technicians with a good mix of gender and age. Experience in orthodontics is not necessary but an advantage.

The position:

- Full time
- Part-time "is also an option"

We expect:

- You have courage
- You are enthusiastic
- You will develop as a technician
- You are a team player
- You are detail-oriented and take pride in good craftsmanship
- You can have more balls in the air

We offer:

- Join a dynamic team with good colleagues
- Flexible hours
- Experienced colleagues with plenty of sparring opportunities
- Salary according to qualifications as well as health insurance and pension scheme
Starting salary will be from about 4.500 euro/month but could be more according to qualifications.
