

Welder (many areas in Finland) JP tynnvuokroos Oy, Tampere

JP Työvuokraus is a fast-growing rental staff company. We rent competent staff for our client companies within all fields. JP Työvuokraus is a reliable company to collaborate with and we take care of the wellbeing of our employees.

We are experts in personnel management and business development.

Working with us: Motivated and energetic personnel and a good work culture are our most important assets. We feel that good open interaction with both our employees and the business clients is critically important in order to get the work done with quality and support the success of our customers. JP's management has experience in several industries and entrepreneurship for more than 20 years.

We are looking for welders to work for our client companies in the Southern, Western and Central Finland. The work is done in 1, 2 or 3 shifts depending on the assignment.

The person we are looking for has:

- Welding certificate
- Experience on related tasks for at least a couple of years
- Good English or Finnish skills
- Good cooperation skills and an active attitude

Remember to mention in your application if you have experience on some of the following: Arc (MIG-, MAG-, TIG-, stick welding), friction, electron beam, laser or resistance welding techniques. Please also mention what type of class / certificate you have.

An occupational safety card and a fire work card are your advantage regarding the position.

The salary is paid according to the collective labor agreement (TES, technology and industrial field).

The job will start after finding the suitable candidates / according to a contract.

Please send us your application including your salary request as soon as possible. We start the interviews during the application period.
