

Microsoft Dynamics 365 Finance - Business Consultant

We are looking to hire an ambitious Business Consultant to help us implement and support our customers in the travel industry. Ideally, you already have experience with Dynamics 365 Finance & Operations (AX) and are eager to take the next step in your career.

Your Responsibilities

- Helping our customers implement Microsoft Dynamics 365 and TravelOperations solutions.
- Being responsible for different workstreams during implementations.
- Providing input and knowledge to our product development team.
- Providing continuous support and improvements to our customers.

Skills & Requirements

Different profiles can be relevant, but the ideal candidate has the following competencies:

- Financial background
- Pro-active, detailed-oriented, independent, and ambitious.
- Preferably experience with Dynamics 365 Finance and Operations.
- MB-310 certification
- Well-developed consulting and communication skills in English (verbal as well as written).
- Enjoys making a difference for our customers and their businesses.
- A strong preference for traveling – both in your leisure time and as part of your job.

What we offer

We offer an exciting job as a Business Consultant with a focus on offering our travel industry customers the Mid- and back-office solutions of the future.

- A unique opportunity to work in a growing company with an international mindset and the aim to be customer-centric in everything we do.
- A start-up culture where things move fast – and opportunities move faster, meaning you can have a great influence in the work.
- An opportunity to work with the newest technology from Microsoft.
- A unique chance to work with very experienced Dynamics professionals who strive to make customers successful.
- A flexible job that allows you to work from where it makes sense.
- A chance to contribute and have influence in a rapidly growing company that values and recognizes its employees.
