- Welcome passengers and provide the information they need for a safe and positive journey
- Drive safely, comfortably and with a green mindset, following all traffic regulations
- Take care of the bus and report any damage or risks you notice
- Contribute to a good working environment and collaborate with colleagues
- Stay up to date and participate in required training

We are looking for someone who:

- Has the right to work in Sweden (EU citizenship or a valid Swedish work permit)
- Holds a Category D driving licence and a valid CPC/YKB (Code 95) issued in an EU/EEA country
- Has a valid driver card (tachograph card)
- Has at least 1 year of professional bus-driving experience within the last 3 years
- Has communicative English skills
- Is willing to work shifts, including mornings, evenings and weekends
- Is motivated to learn Swedish.

What do we offer?

- Salary according to Swedish collective agreement: Salary: According to BBA collective agreement, from 29.900 Skr (level 1, aprox: 2825 €) to 33000 (level 5, aprox: 3118 €) plus extras (inconvenient hours etc.) Gross salaries
- Temporary accommodation on arrival (small fee)
- Health and social insurance
- Free job-specific Swedish training
- Full operational training
- Support with relocation and formalities
- EU/EEA driving experience recognised for salary placement
- Fixed-term or permanent employment

As a new employee at Nobina, you will receive a thorough introduction and the opportunity for continued skills development.

As part of the recruitment process, digital tests are carried out. The tests are sent to you by email. Before you are offered a job with us, you will be asked to complete a health examination.

Why Nobina?

At Nobina, we are committed to creating an inclusive work environment where every employee feels valued. Our leaders take responsibility, make courageous decisions, and consistently embrace an outside-in perspective to meet the needs of our passengers. By being business-driven and focusing on the bigger picture, we strive to develop our operations and create sustainable solutions for today and the future. In a coaching way, we are engaging. Our culture is built on respect, care, and responsibility, and we constantly seek new perspectives to drive innovation.
