

Plant Mechanics

Ref: #JOB-2430690

No of positions: 1

C&B Core Recruitment Ltd. is now hiring an experienced Plant mechanic.

We are currently seeking a skilled and motivated Plant Mechanic to join our client's maintenance team in Dublin. The successful candidate will be responsible for the inspection, servicing, maintenance, and repair of heavy plant and construction equipment, ensuring all machinery operates safely, efficiently, and in compliance with Irish health and safety regulations.

This role may involve mobile site work, breakdown response, and preventative maintenance schedules.

Key Responsibilities

Diagnose, service, and repair a wide range of heavy plant machinery, including excavators, loaders, dumpers, forklifts, related to recycling equipment.

Carry out planned preventative maintenance (PPM) and statutory inspections.

Identify faults in hydraulic, diesel, mechanical, and electrical systems.

Perform breakdown repairs on-site or in workshop settings.

Maintain accurate service records and defect reports.

Ensure all work complies with:

Health and Safety Authority (HSA) regulations

Company procedures and manufacturer specifications

Liaise with supervisors regarding equipment issues.

Maintain a clean, safe, and well-organised work environment.

Participate in ongoing training and upskilling as required.

Essential Requirements

Recognised qualification in Mechanical Engineering, Plant Maintenance, or Heavy Vehicle Mechanics (e.g. QQI Level 5/6 or equivalent)

Proven experience working as a Plant Mechanic, Heavy Diesel Mechanic, or Field Service Engineer

Strong knowledge of: Diesel engines, Hydraulic systems, Mechanical and basic electrical diagnostics

Ability to read technical manuals, schematics, and service documentation.

Full clean driving licence (Category B essential; C desirable)

Strong problem-solving and fault-finding abilities.

Good communication skills and ability to work independently.

Eligibility to work in Ireland.

Must Have:

Safe Pass (Ireland) – essential

Manual Handling certification

Sector: water supply; sewerage, waste management and remediation activities

✨ What We Offer:

✅ Starting salary: €45.000 per year (based on a 40-hour workweek)

Permanent position of a full time basis

Location: Dublin 12

The company will provide accommodation to the right candidate.

Application Details

Submit CV in English, qualifications and proof of experience to Linda.Hoban@welfare.ie and a copy to pcpmixto.eures@sepe.es with the Ref: **#JOB-2430690**, Plant Mechanic

Deadline 23 Feb.2026
