

Formworkers and Team Leaders for construction project

DATOS DEL PUESTO

Ocupación: **Formworkers and Team Leaders**

Nº puestos: **20**

Descripción del puesto:

Formworkers will work under the responsibility of the Team Leader and will be involved in site preparation, traditional and industrial formwork, reinforcement, installation of prefabricated elements, pouring and vibrating concrete, stripping formwork, and ensuring work is carried out safely and according to quality requirements.

Team Leaders will work under the responsibility of the Site Manager and will be responsible for leading and coordinating a team of workers on site. The role includes organizing daily work, following production targets, ensuring availability of resources, supporting workers at their workstation, checking quality and compliance of the works, reporting deviations, and enforcing safety and productivity requirements.

REQUISITOS

Essential requirements:

Experiencia:

- ✓ Previous experience in construction, preferably in civil engineering, reinforced concrete, formwork, masonry or carpentry.
- ✓ Ability to work safely on a large construction site.
- ✓ Ability to follow instructions, work in a team and adapt to site requirements.
- ✓ Basic ability to read plans/drawings, especially for formworkers.
- ✓ **For Team Leaders: minimum 5 years' experience** in the specialty and previous experience leading or coordinating workers.

Candidates must be eligible to work in Sweden.

Desirable requirements:

Experiencia:

- ✓ Experience in industrial or large-scale construction projects
- ✓ Experience with prefabricated elements, reinforcement and concrete works

Knowledge of safety procedures, PPE requirements and quality standards.

Formación: Professional training or diploma in construction, formwork, masonry, reinforced concrete, carpentry or equivalent.

Idiomas: Basic English and/or French
