(Ref.werl.nl:WBS2631223)

Nº de puestos: **10-12**

Lugar: Wagenberg (Países Bajos)

Fecha: 04/08/2023

Información sobre la empresa: Mts Hop

Membership Hop is a medium-sized company run by 4 people, the parents (65 and 64 years), a daughter (40 years) she want to take over the company in a few years. We grow about 48 ha leek and 25 ha Endive, in addition we also grow sugar beets. We are working in teams with people of different nationalities and speak English on the workfloor. You don't need any skill, if you want to learn, you can learn everything. The work that you usually have to do is harvesting or planting the endive and leek. We are start planting leek in week 12 and harvest it the whole year. The leek is cut in the shed. We are planting the endive also week 12 and started to harvest it from the end of May till November most of the time sitting on your knees or packing the endive standing in the harvesting machine. It always goes on. Also when it is hot in the Summer, rains and cold in the Autumn. That is the reason why it's heavy work. But after a few days, you get used to it.
