The London Barber has now opened it's second store and we are looking for team mates who want to work in an awesome environment, develop their skills and earn with the best.

If you love working with hair and are not sure what the next step in your career is, why not speak to us?

We are located in beautiful Arctic Norway, in a small town called Bodo - the weather is hard but between the ocean and the mountains life is good. Bodo is also a European Capital of Culture for 2024 and the town has started one of Norway's largest construction projects with a new airport and new city development, things are happening here.

## Requirements

We need a skilled and passionate hairdresser/barber who wants to take the next step up in their career with a growing business. We have a very strong and growing client base, a motivated team, a quality location and the ambition to give every one of our clients the best cut of their lives.

All applications will be treated with strict confidentiality.

### WE NEED

- A Barber who brings positive energy to his clients and team every single day.
- A passion for hair. Working to constantly improve
- Excellent scissor and clipper skills. Beard trimming and wet shaving can be taught here.
- English or Norwegian / Swedish language skills.
- Barbershop or hair salon experience.

**EU / EEA or Swiss passport, or a valid work permit in Norway (work visa sponsorship is not applicable)**

## Job description

**Client Services** - Delivering high-quality haircuts, fades, tapers, scissor cuts and beard trims tailored to the client's needs. Offering advice on styles that suit the client's face shape, hair type and lifestyle.

Hot towel shaves can be taught with us, if not an existing area of knowledge.

**Client Experience** - creating a welcoming, professional and relaxed environment; building strong relationships with clients; listening, remembering their preferences, and offering honest advice; Maintaining a clean, hygienic and organized workstation at all times.

**Product Knowledge & Sales** - Recommending hair and grooming products based on individual client needs; staying updated on new trends styles, and tools; upselling services and products where appropriate (never being pushy).

**Professional Standards** - Following hygiene, health & safety protocols (tools disinfected, clean towels, etc.); managing appointments efficiently and respecting time slots.

**Working as part of a team** --- supporting colleagues, sharing knowledge, and helping maintain shop culture.

## Type of work contract

### WHAT'S ON OFFER

- **Money.** Money. Starting salary of 34,000-40,000 kr a month before tax. With a pay review after six months.
- **Easy set up.** We will help to arrange a work permit (EU/EEA or Switzerland only), housing and even help you arrange your own bank account. Housing: we help you find an Air B&B flat at first, then if needed we help you find a long term rental and can contribute to the deposit.
- **Great working environment.** We would not be cutting if we were not having fun.
- **Location.** We are in Bodo: northern lights, fjords, glaciers, mountains and a growing town in which we are centrally located.
- Private medical insurance.

## Other information

- One month free accommodation for those coming from outside Bodø.
- Easy set up. Plenty of clients and if you need it we will help to arrange a work permit (EU/EEA only).
