

Work as a truck technician/mechanic in Northern Sweden

In the land of the midnight sun, in the far north of Sweden - our facilities in Kiruna and Gällivare service the expansive region which is dominated by the mining business.

The demand from our customers is increasing and we need to strengthen our team with more employees. Are you keen to test life in the beautiful ore fields? Now you have the chance to work indoors in our fresh workshops in Gällivare or Kiruna together with nice colleagues and good managers.

As a technician with us at **Wist Last & Buss**, you work with everything from service to qualified troubleshooting, diagnosis and repair of Volvo Trucks and trailers.

We are looking for you who:

- Has a vehicle engineering education or previous experience in a technical profession
- Has good system and computer skills
- Enjoys working independently but also values cooperation with colleagues
- Has at least a driving licence category B
- ... if you also have competence in hydraulics or superstructures, that is a plus!

What can we at Wist Last & Buss offer you?

As a technician with us at Wist Last & Buss, you are part of the Wist family. We are an uncomplicated employer who cares about your security and development. To help us, we have competent and friendly employees at 19 facilities in Sweden.

We can offer you exciting and varied work together with pleasant colleagues in the workshop, spare parts and sales. With us, you receive ongoing training to give you the opportunity for further development and to ensure that we together offer the highest quality service to our customers.

About the employment

Salary: The Salary level for the position is set with regards to the candidates' experience. The approximate gross salary range is around 3000 euro per month.

Temporary housing for employees in Kiruna is available but is not suited for long term stay.

Terms of employment: The positions are permanent, 40 hrs/week. We offer a range of different shift forms to be able to meet the needs of our customers and employees. For example, you can work with us 07-19 Monday-Friday and then have a week off.

Employment begins after agreement.

Last date for application: **November 27**

Wist Last & Buss is the Nordic region's largest independent dealer of Volvo trucks and buses and consists of two companies. Wist Last & Buss AB in Sweden with 19 facilities from Kiruna in the north to Köping in the south and Wist Last & Buss AS in Norway with 14 facilities from Mo i Rana in the north to Volda in the south. The companies have a turnover of approximately SEK 3 billion and have approximately 630 employees. Wist Last & Buss is part of AB Persson Invest, which is a family-owned group dating back to 1932 with activities in car sales, wood processing, forest and property management and renewable energy. The group is based in Östersund and has a turnover of approximately 7.8 billion and has approximately 1,400 employees. For more information see www.perssoninvest.se and www.wistlastbuss.com.

In 2023, **Wist Last & Buss AB** was named by Deloitte as one of "Sweden's Best Managed Companies" for the second year in a row, an award we are extremely proud to receive. Wist strives for equal gender distribution and sees diversity as a strength. We therefore welcome applicants from all backgrounds.
