

We are an Austrian traditional family-owned company with an excellent **reputation** on the market. We have been a very successful partner in **industrial plant construction** since 1961 and support our long-standing customers in **pipeline construction** and **mechanics**, in **electrical**, **measurement**, **control** and **regulation technology** (EMSR) as well as in apparatus, vessels and tank constructions. With us you will benefit from a pleasant working atmosphere and numerous opportunities for professional and personal development. In our company you can expect a **long-term job** with varied activities and exciting challenges.

We are looking for a **Supervisor (m/f) Mechanical Installations**

Job description

- Professional responsibility for assembly and maintenance of industrial pipelines
- Planning, management, coordination of own staff and subcontractors
- Compliance with safety rules and quality specifications
- Contact person for our customers on the construction site
- Permanent contract (after 6 months trial period)
- Gross yearly basic salary between 42.000-47.000€ (+ daily allowances and extra hours)

Skills

- Technical diploma or educational certificate in metal
- Expertise in plant engineering, pipeline construction, steel construction, equipment installations.
- Management experience on construction sites (foreman, chief fitter, site manager)
- Management experience on construction sites (foreman, senior fitter, site manager)
- German spoken and written (level B1) or knowledge of English as a competitive advantage
- Mobility, willingness to work overtime.

Working hours and place of work

- Between 38,5 and 45 hours per week
- Working in our own workshops in Upper Austria but mainly on-site at the locations of our Austrian customers.

Other information

- Cultural integration to our company and country through a professional onboarding
- Full protective clothing
- Private accommodations to be arranged by our HR department
- Coverage of accommodations when working abroad
- Coverage of travel costs when working abroad
- Access to internal company-based academy for technical trainings and language courses.

Applications

Interested? Then send your CV and cover letter in English and in Europass-format to: eures.oberoesterreich@ams.at (to the attention of EURES adviser Petra Rosenstingl and as mail subject: 'Supervisor mechanical installations')
