<https://www.facebook.com/TheLondonBarberAS/>

The London Barber is ready for the next stage of growth and we need another team mate to join the ride.

We provide great rates of pay from the beginning, the opportunity to earn even more the longer you work with us, the ability to work four days a week, a great team environment and the opportunity to develop your skills as a barber.

We are a hair salon/barbershop located in beautiful Arctic Norway, in a small town called Bodo - the weather is hard but between the ocean and the mountains life is good. Bodo is also a European Capital of Culture for 2024 and the town has started one of Norway's largest construction projects with a new airport and new city development, things are happening here.
