About Karlskrona:

Karlskrona, the largest city in Blekinge is also known as Sweden's garden. Inside the city, streets, squares and houses are inspired by the Baroque, and from there it is close to the beautiful archipelago of Blekinge and its unique nature. From Karlskrona, you can easily get to Kalmar but also to Copenhagen Airport and hence the rest of the world. In Karlskrona everyone can find something to enjoy off.

Welcome!
