Production worker. Hitramat AS. Knarrlagsund. Hitra. Noruega.

<https://hitramat.no>

We can give you a golden opportunity to work at Europe's largest crab factory and experience Norwegian coastal culture at its best!

From mid-June to the end of November, Hitramat will receive up to 4.500 tons of brown crab of the highest quality, and we need more skilled people!

The tasks consist of receiving, slaughtering, processing, and packing fresh crab to be sold to a quality-conscious international market.
