

Puesto de trabajo: **TÉCNICO/A DE PRODUCCIÓN DE INYECCIÓN** (Ref. VDAB 71440938)

Nº de puestos: 1

Lugar: **Bélgica (Izegem)**

Fecha: 22/7/2025

FREMACH es una empresa proveedora de componentes plásticos y electrónicos para el automóvil que necesita **TÉCNICO/A DE PRODUCCIÓN DE INYECCIÓN**.

<https://www.fremach.be/index.php/about>

Perfil del candidato:

- Several years of experience in a similar technical role
- In-depth knowledge of injection molding machines and industrial robotics – you have the insight needed to set up, reconfigure, and optimize them
- Familiarity with 5S, problem solving, Total Productive Maintenance (TPM), and process optimization
- Proficiency in Dutch or English or French both spoken and written

Funciones:

- As an Injection Molding Technician, you are the driving force behind the technical operations within your team
- You work independently, following a clear schedule and internal instructions to carry out mold and color changes. In addition, you quickly and efficiently detect and resolve malfunctions, ensuring smooth and continuous production.
- You work closely with the Production Team Leader and Quality staff, and report directly to the Process Engineer.

Condiciones laborales:

- Immediate fixed contract
- A 39-hour workweek with 10 additional compensatory rest days per year for optimal work-life balance
- Two-shift system
- Salary: 18,6958 gross / hour (exclusive shift bonus 10%)
