

2 Certified Anesthesia Practitioners (The Netherlands)

Employer: Amsterdam UMC

Type of employer: Amsterdam based hospital

Website: www.amsterdamumc.org/en/about.htm

Workplace: Amsterdam, the Netherlands

Vacancy reference on EURES portal: WBS1246224

Information about the employer: Since June 2018, the two academic hospitals AMC and VUmc have merged to form Amsterdam UMC. With over 16.000 people, the two locations of Amsterdam UMC work together to provide good and accessible care. Amsterdam UMC focuses on a future where diseases can be prevented and where patients receive the best treatments. The emphasis is on the complex treatment of rare disorders.

Information about the position: Because we are both an academic and a level 1 trauma center, you will never be bored as an anesthesia practitioner at Amsterdam UMC. You can work with us at two locations (AMC and VUmc) with a wide variety of procedures. Together with the anesthesiologist, you are responsible for administering and maintaining anesthesia during complex academic procedures in various specialties and patient age groups. Additionally, you play a major role in the resuscitation and trauma team at the Emergency Department (ED). Together, we form a close-knit team delivering top-notch care.

As an anesthesia practitioner at Amsterdam UMC, there is always something to learn by attending additional training and participating in various working groups within our department. Additionally, you can progress to Sedation Practice Specialist or senior anesthesia practitioner within the department.

In addition to highly complex care, we have a day center with many patients requiring low or moderate complex care. We offer you all the possibilities.

Below are the points our colleagues appreciate about our department.

- There is a wide range of different specialties, such as acute care, cardiology, respiratory, transgender, oncology, or pediatrics. The specialties are divided between both locations.
- You are closely involved in trauma management in a large level 1 trauma center.
- You are a member of the resuscitation team, both in the ED and in-house.
- You become part of a close-knit team of professionals.

Position demands: You need to have a passion for the provision of top-quality care, paying sincere attention to the client! Besides this, as a candidate we seek from you:

A CZO diploma in anesthesia practice, or a foreign equivalent	A service-oriented approach, focusing on the patient's needs
A motivated and proactive attitude	The drive to continuously strive for the best quality of work, actively contributing to improvements and developments within our department

English level B1 and willing to learn the Dutch language	Professionalism, collegiality, humor, and resilience to stress
--	--

What we offer:

A contract for a year with the possibility for a permanent position	In addition to a good base salary, you will receive, among other things, an 8.3% year-end bonus and 8% holiday pay
a monthly salary between €3602 - €5272 gross based on qualifications & experience	Practical support: BSN (citizen service number), accommodation, transport
A workweek of 36 hours, 4 x 9	The opportunity to grow into a Sedation Practice Specialist
Dutch courses to get you on B level Dutch as soon as possible	Pension accrual with ABP, of which we pay 70% of the premium. This leads to a favorable gross/net ratio
Amsterdam UMC can assist in finding accommodation (studios) in the vicinity of AMC location. The minimum rental period for these studios is 1 year (12 months). This way, you can "land" in Amsterdam peacefully, even if you come from afar	Reimbursement of 75% of your public transport costs. Prefer to come by bike? Then we have a good bicycle scheme
An active staff association and Young Amsterdam UMC association, both organizing (fun) activities and events
