

Machine Carpenter – Work in Denmark

PN SNEDKERI ApS

PN Snedkeri is looking for an experienced Machine Carpenter to join our team in Vején, Denmark.

If you have experience working with woodworking machines and enjoy producing high-quality products, we would like to hear from you.

Your Job

- You will work in our modern production facility, where you will:
- Set up and operate woodworking machines
- Produce wooden components with high precision
- Assemble and finish products
- Read and work from technical drawings
- Help with other workshop tasks when needed

We Are Looking For Someone Who

- Has experience as a carpenter or machine carpenter
- Knows how to work with woodworking machinery
- Can read technical drawings
- Works carefully and independently
- Takes pride in delivering quality work
- Enjoys being part of a team
- You communicate in English

What We Offer

- Full-time, permanent employment
- Good salary based on your experience
- Modern machines and a professional workshop
- Friendly colleagues and a good working environment
- A stable company with long-term employment opportunities
- Gross salary before tax from 25 EUR- 31 EUR per hour Approx 180 Hours per month.
- Pension: 8 percent
- Holiday pay: 12,5 percent corresponding to 5 weeks of paid holiday per year
- Working hours 06.00-15.00 and Friday 06.00- 12.00.
- Overtime work possible when the employee works independently also in weekends.
