### DETAILS AND DESCRIPTION OF THE POSITION

Job title	Press brake operator-programmer
Number of open positions	1

**We are looking for skilled press brake operators to help our customers expand their teams in Turku and Southwest Finland and invite experienced press brakes operator-programmers to work with modern Amada- FinPower and other press brake machines. This is a great opportunity to develop your skills and work in a progressive company in stable conditions.**

#### Tasks:

- Working on press brake machines, especially with aluminum, stainless steel and other materials.
- Reading drawings, setting up and programming the machine from control desks.

#### We expect you to:

- At least 3-4 years of experience in similar positions.
- Ability to read technical drawings and make machine settings.
- Good tool control is also an important part of the role.
- SolidWorks knowledge is an advantage.
- Finnish language skills are desirable but good English is sufficient.

Applicants must have EU citizenship or a valid work permit in Finland.

#### We always offer all employees of Apuvoima:

- Wide occupational health care.
- Reliable and high-quality pay.
- A dedicated contact person for your employment matters.
