

## Car body mechanic (many areas in Finland) JP tynnvuukroos Oy, Helsinki

**JP job hiring** helps busy HR managers and recruiters to hire high-quality labor quickly. You can evaluate the quality of our employees and get the freedom to decide on a long-term salary later.

We are experts in personnel management and business development:

- HR MBA
- More than 20 years of experience in business management and entrepreneurship.
- History of successfully building growth both locally and in international companies.
- Experience from several industries.
- Long international management and recruitment experience. We connect international people and know-how to the right tasks, creating success

We are looking for competent and experienced car body mechanics for different parts of Finland!

We value versatile damage repair work experience.

We are looking for an entrepreneurial team player who knows how to work together and independently.

From your job description, you are excited to learn about the latest work methods in the industry, but also experienced in traditional jobs that require manual skills, and you have mastered the straightening technique. We appreciate and are happy to hear about the work experience you have already gained in versatile repair work, so that you know how to do quality work, eg plastic repairs and aluminium corrections.

For work, you need:

- a valid driver's license,
- good English or Finnish language skills
- full time job- location: Finland
