

Professional Truck Driver (m/f/d) International Routes

Join a well-established family-owned logistics company in Germany

Are you an experienced truck driver or looking to start an international career in road transport?

A family-run logistics company based in North Rhine-Westphalia, Germany, is looking for a Professional Truck Driver (m/f/d) to join its growing team.

About the company

Long-standing freight forwarding and logistics company operating throughout Europe. The company manages its own vehicle fleet and provides transport, warehousing, customs clearance, import/export and logistics services for a wide range of clients.

Your responsibilities

- Operating a modern tractor-trailer combination
- Long-distance transport, mainly within Germany, France and Belgium
- Loading and unloading goods when required
- Working closely with multilingual dispatch teams
- Following customized route planning adapted to your place of residence

What the company offers

- Permanent full-time employment
- Gross monthly salary of up to **€2,800**
- Daily tax-free allowances worth approximately **€800 net per month**
- Holiday pay and Christmas bonus
- Company pension scheme
- Modern and dedicated vehicle
- Work clothing provided
- Company-funded professional training modules
- Structured onboarding and gradual integration
- Support with accommodation and local administrative procedures
- Immediate start
