

Electrical Automation Technician

Number of positions: 1

Job location: Barcelona Airport area (El Prat de Llobregat)

Company: SYNERGIE HUMAN RESORCE SOLUTIONS S.L.

Contract type: Permanent

Job description

We are looking for dynamic and proactive professionals to join a great team. You will be part of a leading company in logistics and transport that provides innovative solutions both nationally and internationally.

What will your day-to-day look like?

You will carry out comprehensive preventive and corrective maintenance.

You will perform daily inspections of facilities and machinery, as well as resolve incidents in coordination with the Operations team.

You will be responsible for the electromechanical maintenance of facilities, conveyor belts, and parcel automation machinery, in compliance with the Maintenance Plan established by the Department.

You will manage stock levels and the condition of parts, spare parts, and tools.

What do we expect from you?

Education related to Engineering, Vocational Training, or a Higher-Level Vocational Qualification in Electromechanics, Mechatronics, Electricity, Electronics, Mechanics, and/or Automation.

At least two years of experience in tasks related to the position.

Basic IT skills (user level) and the ability to work as part of a team.

Preferably experience in spare parts stock control, as well as experience with automation systems and industrial networks such as AS-i, Profibus, SCADA, etc.

Intermediate level of English.

Essential requirement: currently unemployed and registered as a job seeker with SEPE.

What do we offer?

The opportunity to be part of a young and dynamic team committed to logistics service.

Permanent full-time contract with availability to work rotating shifts (morning/afternoon/night).

Immediate start.

Fixed salary + **variable**: €28,000–€30,000, negotiable depending on experience and knowledge.

Reference number: ID EURES 7328707

To apply

CVs and a covering email are to be sent in English by email to nmedina@sandyou.es with copy to eures.seleccio.soc@gencat.cat
