

## STONE FACTORY OPERATOR

**Number of Posts:** 2

**Contract Type:** Indefinite Contract

### **Work description :**

Rabat Marbles is one of Malta's leading producers for marble, granite, quartzite and other natural and synthetic stone surfaces with over 30 years of experience. We specialise in the production of kitchen countertops but also produce other home finishing's such as stairs, sills, feature walls and fireplaces for both commercial and residential properties.

### **The Vacancy:**

Working at our factory, we are looking for the ideal candidates to join our team in the production of marble and other stone related projects. The ideal candidate will have the role to work on applying finishes to marble, granite and similar stone products.

Core Responsibilities will include:

- ✓ Assist with the preparation of materials for production
- ✓ Handle and transport stone slabs to and from designated work areas
- ✓ Stock Travertine slabs and other materials in the yard or factory
- ✓ Support the finishing process of stone surfaces, including polishing and detailing
- ✓ Perform general upkeep and cleaning of work areas and equipment
- ✓ Help with loading and unloading deliveries of raw materials and finished products
- ✓ Follow safety procedures and assist with safe movement of heavy materials
- ✓ Carry out other ancillary duties as directed by the production manager.

### **Requirements:**

- Rabat Marbles has two shut down leave periods which are in August and in December. Dates are announced each year in January.
- Being a medium sized company, Rabat Marbles offers flexible working conditions. The management works on the shop floor and exercises an open-door policy to always improve the general working conditions of each individual.
- Uniform and safety requirements are provided to all employees.
- Due to the current work demand, there is possibility for working overtime.
