### How does my first week with MAATT look like?

When you arrive at the Netherlands one of our coordinators will welcome you and guide you to your temporary stay in our own house in Nijkerk. The first 2-3 days you will meet your contact persons and our trainer. During your first day's in our test- and training center we will prepare you for the job. Our trainers are there to help you and make you feel comfortable with the Dutch way of working. With these kind of preparation we are convinced that your start will be a successful one!

During your first week we provide free accommodation, lunch and drinks during the training days and we will pay you €20 net per day for covering your costs for the first week. We will help you to get your Dutch citizen number (BSN) and VCA safety course, in case you don't have it already. At the end of the week you will move to your new accommodation and you are ready for the start. When you will start one of our employees will go with you in the morning to guide you to the client! We are there to help you with everything
