

## **Electrician/Mechatronic Technician (m/f/d) (Elektroniker/in - Betriebstechnik) (ID: CC-HWT\_040)**

OTHERS SELL PRODUCTS, WE REALIZE LIFE DREAMS

Developed by sailors.

Tested on the Baltic Sea. Sold to the world. Since its founding in 1990, HanseYachts AG, with its six brands today, has become one of the world's largest manufacturers of high-sea capable sailing and motor yachts in serial production.

Join our team at our location in Greifswald as an

Electrician/Mechatronics Technician (m/f/d)

### **Your tasks:**

- Boat wiring in the 12 V/110V/230V range
- Prefabrication of cable routing for electronic instruments
- Installation of nautical instruments such as plotters, etc.
- Installation of entertainment electronics
- Assembly of cable harnesses, pumps, and main switches
- Installation of engines and generators, as well as bow thrusters, lights, heating, air conditioning, etc.
- Final inspection with troubleshooting and resolution

### **Your profile:**

- Successfully completed vocational training as a mechatronics technician (m/f/d), electrician (m/f/d), or a related profession (m/f/d)
- Several years of professional experience or a dedicated career starter (m/f/d)
- Willingness to work in a shift system
- Team spirit and high motivation
- Sense of responsibility
- Structured, independent work style

### **What you: we offer**

- Look forward to a dynamic team with room for individuality, passion for boats, professionalism, and a great sense of humor

- Benefit from knowledge and experience sharing among colleagues and the opportunity to have a real impact on the development of the world's second-largest yacht manufacturer
- Responsible and interesting work in the continuous development of the company.
- Permanent employment and 28 vacation days
- Free employee parking, company cafeteria, and employee events
- Free advisory services for all questions related to relocating to our region through the Greifswald Welcome Center
- An extraordinary working environment - you help us create life dreams

If you're looking for a long-term commitment in an innovative company, we'd be happy to welcome you on board. Join our crew and contribute to the production of our fascinating products!
