

40 trabajadores para piscifactoría de salmón con inglés.

Production worker. InnovaMar on Frøya, Trøndelag. Noruega.

<https://www.salmar.no/en/>

SalMar is one of the world's largest and most efficient producers of farmed salmon. Since its inception in 1991 SalMar has developed into a vertically integrated aquaculture enterprise, whose production stretches from roe/broodfish to the sale of finished products. SalMar has significant harvesting and processing activity locally in Norway and with the main office on Frøya in Trøndelag

Job description	The job as a productions worker will consist of a variety of work assignments related to the harvesting and processing of salmon , including manual cutting, packing, preparing, sorting, and the like.
Requirements	Experience from salmon production or other food production is an advantage, but not a necessity • Good communication skills • English language is required. Good collaboration skills • Valid Police clearance Personal characteristics: • Reliable and punctual • High work ethic Flexible • Responsible • Positive and enthusiastic
Type of work contract	• We offer 80% permanent positions. • Normally you work 37,5hour per week (100%) but this can vary on a weekly basis • Salary: NOK 207,78 (18 €) per hour gross
More Info	We work in shifts, so that you change between working day- and evening shift every other week. Due to our type of industry, there will be possibilities to work overtime and at other times there could be less than 37,5 hours a week. SalMar AS is bound by the collective agreement between Norwegian Seafood Federation and NNN (employee union). The salary is based on the collective agreement's rates and local supplements and is subsequently regulated through local and central wage negotiations. As part of having a stable workforce, we prefer candidates that are looking to stay long term or permanently.
