

We are an Austrian traditional family-owned company with an excellent **reputation** on the market. We have been a very successful partner in **industrial plant construction** since 1961 and support our long-standing customers in **pipeline construction** and **mechanics**, in **electrical**, **measurement**, **control** and **regulation technology** (EMSR) as well as in apparatus, vessels and tank constructions. With us you will benefit from a pleasant working atmosphere and numerous opportunities for professional and personal development. In our company you can expect a **long-term job** with varied activities and exciting challenges.

We are looking for a **Control Cabinet builder (m/f)**

Job description

- Construction of individual switchgear and distribution systems according to drawings
- Wiring of control cabinets according to circuit diagram (no series production!)
- Functional testing, troubleshooting, commissioning
- Documentation of changes
- Consideration of norms and quality standards
- Compliance with safety rules
- Unlimited period of working contract after 6 months trial period
- Gross yearly basic salary minimum 36.400,-- € (extra hours are on top)

Skills

- Training/education in electrical engineering
- Professional experience in control cabinet construction
- German spoken and written (level A2 - B1) or knowledge of English as a competitive advantage
- Readiness for long-term commitment at our company in Austria

Working hours and place of work

- Between 38,5 and 45 hours per week

- Working in our own fabrication in Upper Austria but mainly on-site at the locations of our Austrian customers

Other information

- Cultural integration to our company and country through a professional onboarding
- Full protective clothing
- Private accommodations to be arranged by our HR department
- Coverage of accommodations when working abroad
- Coverage of travel costs when working abroad
- Access to internal company-based academy for technical trainings and language courses

Applications

Interested? Then send your CV and cover letter in English and in Europass-format to: eures.oberoesterreich@ams.at (to the attention of EURES adviser Petra Rosenstingl and as mail subject: 'Control Cabinet builder')
