

Working in Estonia as BAKER (2 positions)

Aarde Pagar OÜ

<https://www.aardepagar.ee/tellimine>

Aarde Bakery is an artisanal bakery in Telliskivi Creative City, Tallinn. We're focused on dark sourdough breads, black croissants and stock breads. We're also focused on all things sandwich.

Tasks

* Mixing, shaping and baking sourdough breads and laminated bakery products according to recipes * Preparing and packaging products for transportation and delivery * Assisting clients with purchase procedures at a self check-out system * Maintaining hygiene in the bakery

Candidate requirements

- Education levelgeneral secondary education
- Language skills

Language	Speech	Writing
English - indicative	C1 (proficient language user) - very good	B2 (independent language user) - good
* At least one of the indicative language skills is required		

- Other requirementsWe're looking for an employee that wishes to take a permanent, long lasting position. The work includes lifting heavy flour bags (weighing up to 25 kg).

We offer

Aarde Bakery Bread Studio is no ordinary bakery. We offer a cozy and well lit atmosphere with great views of the surrounding creative hub. The bakery is set up ergonomically and with new professional hardware to make working here a pleasant ritual rather than a morbid obligation. With our main product "Aarde Black" receiving overwhelmingly positive feedback, we're safe to say that we're baking the best bread in town. There is a lot of positive client feedback for good emotion. We offer training!
