LANGUAGE SKILLS

In order to be able to land a permanent job as a primary school teacher, you need to have applied for and be granted a Swedish Teachers license. When the time has come to apply for a license, we will support you with that. **We could offer this chance only if you have a good level of English.**

We understand you do not speak Swedish, this does not make you less eligible for the job. However we do appreciate it and it is in your advantage that you have started to learn Swedish at this point.
