

Automotive mechatronics technician (m/f/d) (ID: HWT_036)

The employer is a family run company in the third generation. You can look forward to a young and dynamic team which appreciates a personal atmosphere. Your tasks would entail repairing vehicles, executing service work and getting spare parts and equipment. Doing your work efficiently and goal oriented to the contentment of their clients is an important aspect..

Tasks:

- Repairing vehicles
- Executing service work
- Organizing spare parts, equipment and tools

Your profile:

- English A2 or B1 and the willingness to learn German
- Successfully completed a vocational training in the automotive area
- Ideally some work experience
- Knowledge of the NISSAN pattern plate

Frame conditions and benefits for employees:

- permanent contract with social security contributions.
- Working hours: full-time (40 hours/week)
- Salary about 2.200-2.500€ /month
- Further professional and personal development at one of the world's leading providers of payment processing
- Help with the apartment search and the integration in Germany
- Help with searching for language courses

Location: Germaringen, Bavaria, Germany.

Please send your application including CV (e.g. [Europass](#)) in German or English to:

ZAV.Customer-Center-114@arbeitsagentur.de by referring to **HWT-036**.

For further assistance, please contact us. We'll be happy to provide further assistance.

The Central Foreign and Specialist Placement Office will help you find a job in Germany. We are part of the state employment services. Our service is free of charge. EU citizens maybe have the possibility to get financial support (e.g. language course, travel expenses, relocation costs).
